### Extension for the submission of the Trust Service Providers' Supervisory Questionnaire

Willemstad/Philipsburg –Trust service providers with a license and dispensation, and natural persons with a dispensation (“trust services providers”) that fall under the supervision of the Centrale Bank van Curaçao en Sint Maarten (CBCS), have an obligation to submit a Trust Service Providers' Supervisory Questionnaire. The Questionnaire certified by an external auditor, should be submitted to the CBCS by October 30 of each year. These reporting obligations are pursuant to article 16 of the *National Ordinance on the Supervision of Trust Service Providers*.

The CBCS is cognizant of the fact that the COVID- 19 pandemic and the additional government measures, have caused some trust service providers not to be able to comply with this legal obligation. Therefore, the CBCS has decided to grant trust service providers that fall under the supervision of the CBCS an extension to submit their certified Questionnaire by **December 30, 2020**.

Despite the exceptional situation, all trust service providers with a license and dispensation, and natural persons with a dispensation, are expected to continue to adhere to their legal obligations, and comply with all laws and regulations applicable to them.
