

## **PRESS RELEASE 2017-017**

### **CBCS connects to Facebook**

**Willemstad** – The *Centrale Bank van Curaçao en Sint Maarten* (CBCS) is keeping up with social media trends. After having launched a Facebook page for the Yotín Kortá money museum a few years ago, the CBCS now has its own page on Facebook. This platform will be used to publish documents which are accessible to the public, such as press releases, annual reports, statistical analyses, as well as job openings and conference and seminar programs.

The CBCS's Facebook page can be found on <https://www.facebook.com/cbcscur/> and through the Facebook icon which is featured on the CBCS's website.

Please be aware that the CBCS's one and only official Facebook page is the one with aforementioned URL. There are no other official CBCS pages. Any other page with a similar name is not launched by the CBCS. The CBCS, therefore, is not responsible for any information shared on these pages.
